# Terms and Conditions

We raise highly trained, well cared for WHITE DOVES from pure white racing pigeon stock. These are also known as Rock Doves or Columba livia, and are generally smaller and more delicate than normal “pigeons”. Because our doves are precious, we will take every precaution to protect them and assure their safety.

Therefore, when you order doves from us, you must understand and agree to the following:

- ◆ We will not release birds if the conditions become unsafe. Therefore, we will not release birds indoors, at night, or during very bad weather. If conditions become unacceptable for the release on the day of the release due to unforeseen circumstances such as weather, we will refund all monies and deposits as follows: \_\_\_\_\_.
- ◆ We will not release birds too close to sunset. They must be able to reach home safely. If your event goes past release time and the birds will not be released, and there will be no refund.
- ◆ We will NOT release birds beyond a range that they are able to safely fly home. There may be extra charges for long distance flights and mileage.
- ◆ A handler must be present; we will not ship birds for self-release.
- ◆ A deposit of \_\_\_\_\_ is due at the time of reservation. The remainder is due \_\_\_\_\_. In the case of cancellation prior to one month before event by client, the deposit will be refunded less \_\_\_\_\_ of the full service price. Cancellations within 1 month of event forfeit deposit.
- ◆ We promise to do the best we can to assure the highest quality White Dove Release possible. It is important that you communicate to us your wishes so that we can better serve you.
- ◆ Please call for specific instructions on how to make payment.

**I am reserving the date and ordering the dove displays as outlined herein, and I agree to all of the above terms and conditions. The contract will not be in effect until notification of acceptance in writing.**
