

Message of Love

*There is an old time legend
That the infinite Lord of Heaven
Chose a special pure white dove,
To bring the promise of love.
To earth, through the clouds of white
Came the dove on its holy flight.*

*To the downtrodden, sore and afraid,
The dove gave a message of aid.
To newly wed husband and wife
A blessing for their married life,
To the children growing tall and free,
To the old as they face mortality,*

*To each and every person on earth
From the moment of their birth
Along each winding path through life
God sends the wings of white.
To carry the message from above:
Hope and Love on the wings of a dove.*
